Dissident Sunni Arab figure Sheikh Abdul-Aziz bin Abdullah Al-Rasheed, an Islamic scholar once a close confidante of Osama bin Laden, has been appointed a government minister in Jordan. Sheikh Abdulaziz Al-Rasheed, who has lived in Saudi Arabia for decades, was named the king's new chief adviser on Islamic affairs on Wednesday, state-run al-Rai newspaper said. "His appointment is positive and reflects the official position of the Kingdom of Jordan on the Palestinian issue," a Jordanian government source said. Al-Rasheed headed the Islamic Research Center, which in recent years has been viewed as a radical Sunni group that in Jordan is funded by Saudi Arabia. The centre helped to organise conferences in 2005 and 2006, where participants issued inflammatory statements, such as urging the destruction of Israel. One of the participants, Ibrahim al-Ibidiki, who was a senior leader of al-Qaeda in Iraq, told al-Rai the centre had been able to continue its activity thanks to Saudi funding. Al-Ibidiki's statements at the events brought him to the attention of the FBI. He was arrested in Washington in 2009 and was sentenced to 30

What's New In?

Realmedia RM RMVB Converter is a multimedia converter to convert Realmedia RM, RMVB and RAM videos to the video formats available on popular mobile devices. Details: Supported video formats: As the name of this software implies, Realmedia RM RMVB Converter is designed to help you encode RM, RMVB and RAM videos to other file types, such as 3GP, AVI, MOV, MP4, WMV and MPG. The interface of the program is plain and simple to navigate through. Video clips can be imported into the queue by using the file browser only, because the "drag and drop" method is not supported. Batch processing is allowed. In the list you can read the source path, size, frame rate, duration, output type, progress and frames for each video. Once you establish the output file type and directory, you can initiate the conversion task. Moreover, you can change audio and video settings when it comes to the codec, bit rate, channel mode, sample frequency rate, size, zoom level, aspect ratio and volume. Additionally, you can remove an item from the list or clear the entire queue, set the number of dropdown items in the output format list and enable Realmedia RM RMVB Converter to automatically overwrite existing files. The video processing tool takes up a small amount of system resources, has a good response time, quickly finishes a task and generally delivers a fair image and sound quality. There's also a step-by-step guide with snapshots available. On the other hand, Realmedia RM RMVB Converter crashed several times during conversion in our tests. We recommend this tool with some reservations. Buy Premium Before Download To Download Fastest, Please Buy Premium File first You can free download RMVB Converter 2.0.1 build 1 from our site to convert RM, RMVB and RAM videos to other video formats. Over 150000+ satisfied users rating 5 on scale of 0 to 5. Download RMVB Converter 2.0.1 build 1 for free now.

Augustus S. Williams Augustus Short Williams (July 23, 1832 – December 12, 1903) was a general of the United States Army. Biography Augustus Short Williams was born on July 23, 1832, at Batavia in Genesee County, New York, to George D. and Martha (Hibbard) Williams. He was the great-grandson of William Hudson and the nephew of General William Hudson, who was killed at the Battle of La Hogue. At the outbreak of the American Civil War, he enlisted as a private in the 2nd New York Cavalry Regiment, a unit that he joined in October 1861. Williams rose to the rank of major during the war, and also served as the regimental adjutant. He was mustered out in April 1865 with the rank of
